---

Why don't they extend the hours beyond 40? I will work more than 40 hrs. per week.

Yeah that was my reaction to their request, as well. I was amazed we got four. Good for you though!

ok thank you. 15? Where did they expect to get them from? I only know of 4 reviewers so probably you have them all.

On the last Hire Thai project, the client (████████) tried hiring 20 people worldwide & it was a disaster (only New York was Hire). In the end, I was the only reviewer retained.

Hi Andy,

That's the latest report from Wilmer. However, I just reached out to them again to get a confirmation. I'll let you know as soon as I know. By the way, the duration on this project is likely going to be a lot longer now. They made the estimate of 2 to 3 months based on 15 attorneys working 40 hours a week. We have 4 total.

Best,

John
